

A Fairy Walk

One day at school when

it was recess time we

went for a walk. I saw

a fairy house. One

fairy came out.

She didn't even notice

me, BUT I saw her.

The fairy had a purple

dress, she had a brown ²
papy tail, and she
had flowers in her
hand. She was flying.

Her house was on
the floor of the woods.
I said "Hi" but she
didn't say Hi, she was

too busy Bringing flowers
for her friends

If I was a fairy I
could be a server. A
fairy server brings food
on a tray to customers.
I could balance the
tray on my head.
