

## Me and my Grampy

I have the best grampy ever.  
Let me tell you about him.

He lives in Wells. His name is Gary. My grampy has lots of tractors and dump trucks for his work. He gets to drive them all day. He lets me drive his tractors. I drive them onto the trailer. He has lots to do but he takes time to play with me.

We do lots of fun stuff together like riding four wheelers, playing football, and playing video games. This winter we went ice fishing but we didn't catch any fish. We went with my whole family. It was cool. Me and my grampy go fishing in the summer too. Our most favorite thing to do is playing pass with a football. Me and grampy play football a lot. That's why I can catch and throw so good.

My nanny and grampy got  
me a snowmobile this winter.  
Grampy has his own snowmobile.  
we like to make trails and  
ride around the house. We  
have so much fun.

Grampy calls me his little  
buddy because I am so funny  
and he loves to spend time  
with me. I have lots of friends  
at school but my Grampy  
is my best friend.
