

One day in Antarctica, there was a waddly penguin.

He was looking for a place to jump and he was

hungry. He did find a place to jump. Suddenly,

an angry, fat, and hungry Polar Bear came up

behind the penguin. The angry, fat, and hungry

Polar Bear did a big ROAR!!!! and ate the penguin.

A strong, huge, and fat musk ox was stomping

around in the snow. Then suddenly that angry, fat,

and hungry polar bear tip toed over to the musk ox

and did a big ROAR!! and ate the musk ox. The polar

bear was very fat.
