

Snowboarding is awesome!  
 snowboarding is really cool and I  
 can go <sup>through</sup> woods really fast.  
 I want to snowboard <sup>because</sup> I am a skateboarder. On my  
 skateboard go up ramps and go  
 back and forth <sup>forward</sup> and hop. The  
 thing about snowboarding is you  
<sup>have</sup> to clip in the <sup>boots</sup> and hop  
 to the hill. I <sup>need</sup> a helmet.  
 I <sup>need</sup> goggles. I <sup>need</sup> gloves and  
 a mask. I <sup>need</sup> snow pants and  
<sup>coat</sup> boots. I <sup>need</sup> special boots and  
 a snowboard.  
 I <sup>put</sup> my boot in the  
 spot that your boot goes on the  
 snowboard and <sup>push</sup> it in and klik.  
 I am ready to go.

How I Ster is doing a  
flooting leaf. This is like  
doing a zig zag but with a  
snowboard on your feet. I  
like doing 360. I do it by my  
left foot and spin as I go down  
the hill. I fell a lot at  
first. My coach was wise he  
puled me out of ditches.  
If you asked me if it is rely  
cool to snowboard.  
I say YES I like it a lot.
