

INSPIRED
A Visit to Normandy

by Alethia Batchelder

*Water so blue and sand so red
So many soldiers of America dead.
Courage and bravery in the air and
Everything was in despair.
With courage so pure, enemies can't stand.
The love and peace that filled the land.
A little girl who is 9 years of age, felt the emotion everywhere.
And writes this poem to show she cares,
for the soldiers who died that day
and gave us hope and freedom that we treasure to this day.*
