

I Love My Mom

I love my Mom more than anything. I love her because she is kind and awesome. She plays football with me, and every night she wrestles with me. We made a deal that she would wrestle with me when I don't have wrestling. My mom cooks with me. I want to be a cook when I grow up. I always make her broccoli. My mom gives the best hugs and kisses. When I'm sad, she cuddles with me. I like it when she cuddles with me. When she puts notes in my lunch box, it makes me smile. It makes me feel good. My mom helps me with my problems. One time when I was mad at my sister, she helped me get over it. My two words for my mom are "THE BEST". I love my mom to the moon, all the stars and planets, to infinity and back! The End.
