

# The Glitter Sisters.

Two girls changed the world. Their names were Sparkle Sally and awesome Abby and their pet unicorn Uni.

One summer morning the two girls were playing. Boom! Boom! Boom! What's that sound? Said Abby. Maybe it's time. Said Sally. ar ar ar said uni!

It's madam hairbrush she's destroying the city! we have to stop her! said Sally. She has her mini hairbrush robots! I know said Abby we can spray them with conditioner!

Abby Sally and Uni sprayed the hairbrushes with conditioner and all the hairbrushes slid back to the hairbrush drawer.

We did it! said awesome Abby and Sparkle Sally. ar ar ar said uni!

the glitter sisters saved the day!
