

I AM ON VACATION

I am going to Delaware to see my friends. My family will take our car and go to 7 states. In the car I will write in my notebook about my friends. My mom will buy color books. I eat. I play my video game and watch a movie.

When we are there I watch tv and I eat at Johnnie's Dog House Meghan works there. In Philadelphia I saw horses and buggys. We walk in town see old houses and see Ben Franklin made of keys. I saw the Liberty Bell.

My family took a ride to see how chocolate is made in Hershey. I went to the crayon factory. I go to a hotel in New York City. We went to Toys R Us. We ate at my dads favorite Hard Rock Café. We walked up 100 stairs to the Statue of Liberty. It was not good walking all the stairs.

The ride home was long but I played video games. I was sad. I missed my Delaware friends. I want to go back some day.
