

K-04

The crow flies to eat
 the ants

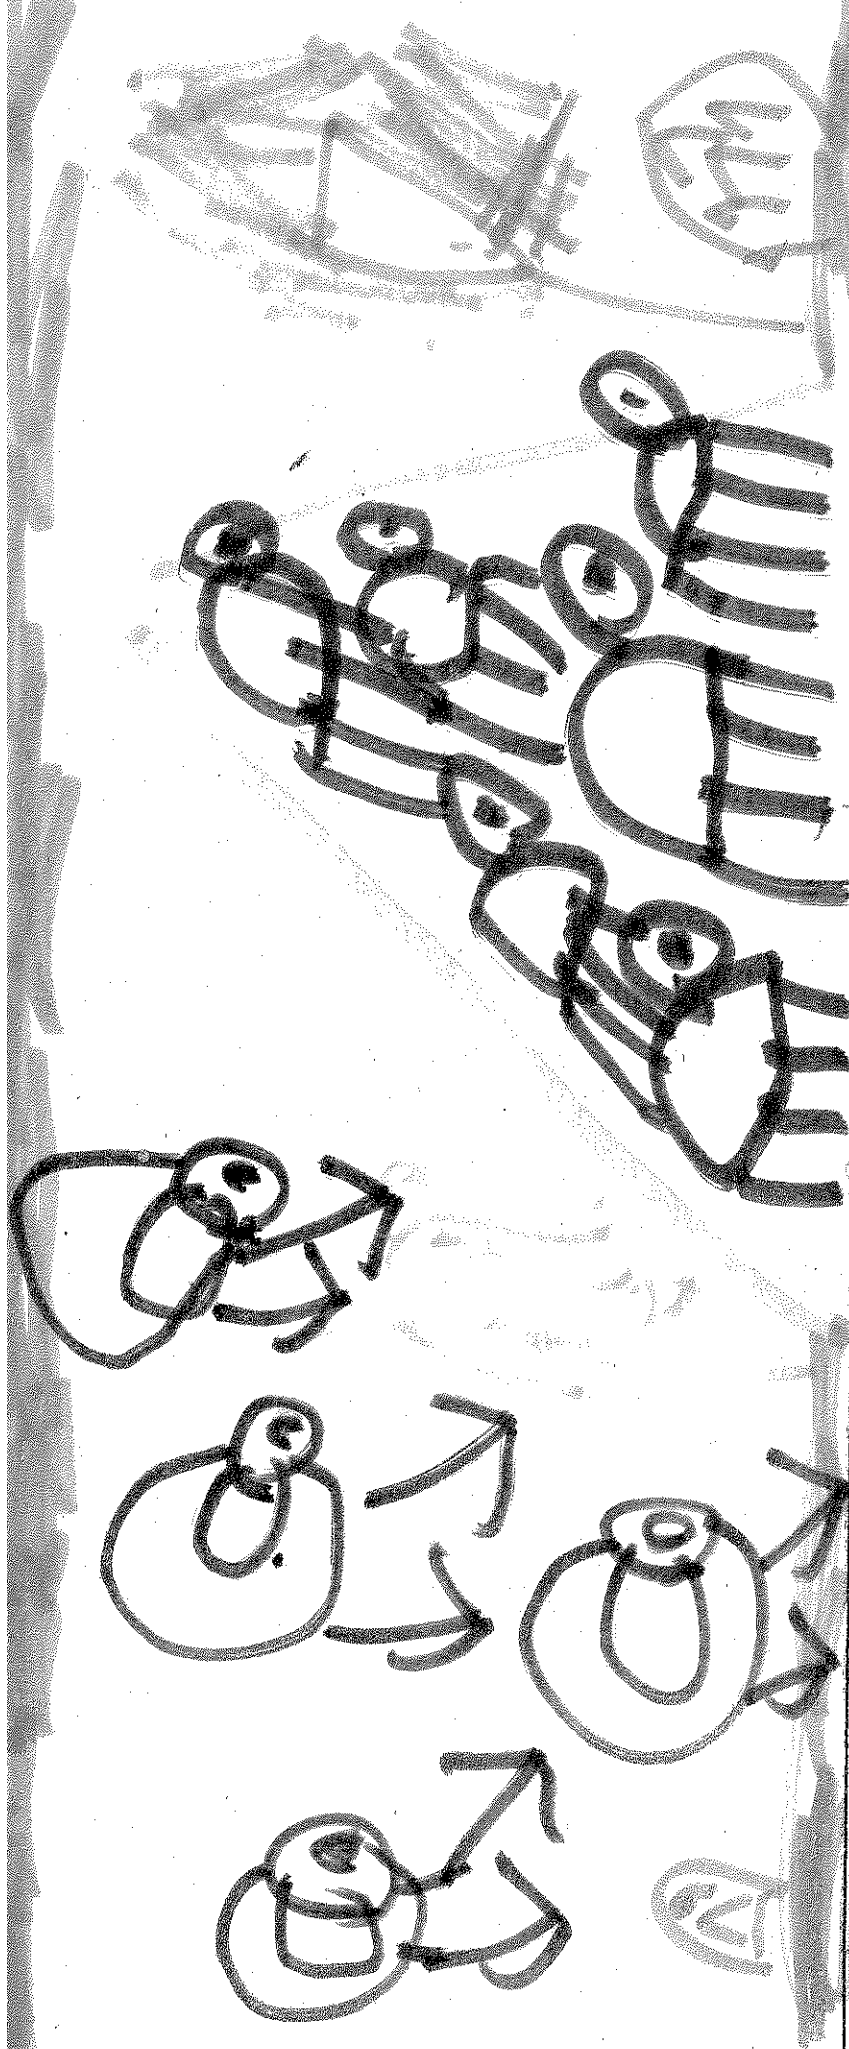

The crows were close to
(were)
eatting the rats. Then the
rats jumped on the crows.

The ants tried to get
 away from the crows.

Then the ants were going
 to their ant hole
 (their) (will)

They kid in their ant hill
(child)

The crows flew over the
(flew)

hills the ants were
(were)

Safe
(safe)

The end
