Once upon a time

there was a boy he lived

with his mom and Dad.

One day he went to his

fourwheeler trail. He ^(thought) trout

2

that he saw something.

And he was right. He

(dinosaur)

saw a dinosaur. It was

the biggest thing that

he ever saw. He asked

if he was a nice ³
(dinosaur) dinosaur

and he said yes. Then

they started to play every

day after school. He wanted

to keep him as a pet, but

he was as big as

the house. So he had

to sleep outside. They

didn't know how to feed

him. They fed him marsh

(malloWS)

malloWS and then he wanted

drinking all the water out of

the pond and that was when

the boys mom ^(said) sed that it was

time ta go. So the boy took

him ta the blueberry plains. I
