

## My Skiing Adventure

By Caleb Hinkel

As I was skiing  
In the morning light

I saw a kid  
Trying to stand upright.

He got up slowly  
But still got up.

Then I saw a person  
Walking a pup.

The pup was small  
And I wanted to know his name.

So I asked the person  
And he said it was Fame.

I asked why because I didn't know.  
His first time in an Olympic race

He almost lost  
But came in first place!
