

Maya Roche – Literary Achievement 2019

Me and My Dad

My family is the best thing in the whole world to me!!! I love having the same birthday as my Dad!!! Every day at our birthday we go out for breakfast!!! In the past we went to Congdon's. This year we did something different. We dropped off my brother to basketball and then me and my dad picked up donuts and sat at the beach and ate our donuts. It was a very fun time and I cannot wait for next year!!!
