

NEPOTISM

Employment

It shall be the policy of the Wells-Ogunquit Community School District School Committee not to employ as District staff any person who is a member of the immediate family of a School Committee member or of the Superintendent. Immediate family of School Committee members or the Superintendent who are employed by the District on the date of adoption of this policy are not affected by this paragraph.

By Maine law (20-A M.R.S.A. § 1002(2)), a School Committee member's spouse is precluded from employment under any circumstances in any public school within the jurisdiction of the School Committee to which the member is elected.

Supervision and Evaluation

No person shall be employed in or assigned to a position that is within the administrative supervision of a member of his/her immediate family, nor in a position in which he/she is directly supervised or evaluated, in whole or in part, by a member of his/her immediate family.

Exceptions

In extraordinary circumstances, the School Committee may approve an exception to the prohibitions on the employment of immediate family so long as the candidate is qualified for the position to which he/she has applied, the hiring is in the best interest of the District and its students and the candidate is not the spouse of a School Committee member. Under Maine law (20-A M.R.S.A. § 1002(2-A)), a School Committee member's spouse may not serve as a volunteer when that volunteer has primary responsibility for a curricular, co-curricular, or extra-curricular program or activity and reports directly to the Superintendent, principal, athletic director or other school administrator within the jurisdiction of the School Committee.
