

ENROLLMENT PROJECTIONS

Enrollment projections will be prepared and will be reviewed and brought up-to-date annually.

The projections may take into consideration the following:

1. Figures from the latest school census
2. School registration figures
3. Review of forthcoming changes in town planning and zoning
4. Review of current and planned community land development and housing projects.

Whenever construction of new facilities or the closing of any school buildings is being contemplated, the School Committee may authorize outside studies made of population trends and school enrollment.
