

WELLS-OGUNQUIT COMMUNITY SCHOOL DISTRICT

SMOKING ON SCHOOL PREMISES

The Wells-Ogunquit C.S.D. School Committee recognizes that smoking tobacco or otherwise using tobacco/electronic smoking device products is injurious to the health of both those who use such products and those who must come in contact with the residue of tobacco/electronic smoking device use. Further, the school curriculum teaches the health risks associated with the use of tobacco/electronic smoking devices.

For the purpose of this policy, Electronic Smoking Devices include:

- electronic cigarettes and other devices designed to deliver nicotine or any other substance through inhalation or “vaping” or used to simulate smoking.

Therefore, any use of tobacco/electronic smoking devices will not be permitted in Wells-Ogunquit C.S.D. buildings or on school grounds at any time.
