

PROFESSIONAL STAFF POSITIONS

All permanent professional staff positions are created only with the approval of the School Committee. It is the School Committee's intent to activate a sufficient number of positions to accomplish the District's goals and objectives.

Before any new position is established, the Superintendent will present for the School Committee' approval a job description for the position which specifies the job holder's qualifications, the job performance responsibilities, and the method by which the performance of these responsibilities will be evaluated.

The School Committee also instructs the Superintendent to maintain a comprehensive and up-to-date set of job descriptions for all positions in the school system.
