The rate of pay for substitute teachers shall be as follows:

Uncertified teacher substitutes	\$70/day
Teacher substitutes with substitute teacher training	\$75/day
Certified teacher substitutes	\$80/day

When a fully qualified substitute is required for a period in excess of nineteen (19) consecutive school days, the substitute will have full responsibility for the instruction to include planning lessons and marking students, and as such, the substitute will be placed on a minimum salary step for the District beginning with the twentieth (20th) day.

The rate of pay per day shall be found by dividing the minimum annual salary by the number of days in the school year as stated in the regular teachers' contract for that school year.
