

PROFESSIONAL STAFF DEVELOPMENT OPPORTUNITIES

The policy of the Wells-Ogunquit C.S.D. School Committee is to encourage and support a program of in-service training and the continuous professional and technical growth of the professional staff. It is the stated purpose of staff development to provide the resources and time to improve the quality of instruction in the Wells-Ogunquit C.S.D. by developing and promoting activities which increase student learning and teacher effectiveness.

The administrative staff employing administrative and management techniques consistent with modern management development will provide leadership which will assist each staff member to make a maximum contribution to the school district's effort to provide a quality educational program for all students.
