

SUPPORT STAFF POSITIONS

All permanent support staff positions in the school system shall be established initially by the Wells-Ogunquit Community School District School Committee.

In each case, the School Committee will approve a statement of job requirements as presented by the Superintendent. This shall be in the form of a job description setting forth the broad purpose and function of the position, the qualification of candidates, and a detailed list of responsibilities and duties.

Although positions may remain temporarily unfilled, or the number of persons holding the same type of position reduced in event of de-staffing requirements, only the School Committee may abolish a position that it has created.
