

HOMEBOUND INSTRUCTION

Home or hospital instruction shall be authorized by the Principal, with notification and review by the Superintendent of Schools:

1. To any child with a health or physical impairment which, in the opinion of a licensed medical examiner, will cause him/her to be absent from school for more than two consecutive weeks and who school personnel determine can educationally benefit from such a program, or
2. To any child whose educational needs, as determined by a case study and reviewed in a multidisciplinary staff conference, are most appropriately and effectively met by such a program.
