

PARTICIPATION IN THE SCHOOL PROGRAM BY HOME-SCHOOLED STUDENTS

The Wells-Ogunquit C.S.D. School Committee, hereinafter referred to as the “Committee,” acknowledges the provisions for equivalent instruction under Maine law. The Committee further observes the Legislature’s recognition, “that the term “equivalent” is intended to mean meeting state standards, for alternate or other instruction and is not intended to mean the same as the education delivered in the public school system.”

In addition, it is the intent of the Committee to, “cooperate in the home instruction of any child who resides in the Wells-Ogunquit C.S.D. to the degree that the level of cooperation does not interfere with the responsibilities to the students enrolled in the Wells-Ogunquit C.S.D.’s regular programs.” Furthermore, participation of students in such programs shall be limited to home-schooled students who have obtained approval for equivalent instruction under rules established by the Commissioner of Education.

In order to maintain an efficient and orderly school program, the School Committee directs the Superintendent/designee to develop procedures, as appropriate, regarding the availability of District resources and services in support of equivalent instruction programs that have been approved by the Commissioner.
