

STUDENT SURVEYS AND MARKETING INFORMATION

From time to time, the Wells-Ogunquit Community School District may administer surveys to students in the course of developing and evaluating the programs and services offered in the schools. The District will comply with the federal Protection of Pupil Rights Act and applicable regulations concerning the administration of surveys and the use of personal information about students for marketing purposes as outlined in this policy.

Parental Consent to Surveys

No student shall be required to participate in a survey receiving funding under U.S. Department of Education programs that reveals the following information without prior notice to and the written consent of parent(s)/guardian(s):

- Political affiliations or beliefs of the student or the student's parent(s)/guardian(s);
- Mental or psychological problems of the student or the student's family;
- Sexual behavior or attitudes;
- Illegal, anti-social, self-incriminating, or demeaning behavior;
- Critical appraisals of other individuals with whom respondents have close family relationships;
- Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- Religious practices, affiliations or beliefs of the student or the student's parent(s)-guardian(s); or
- Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

In the case of surveys not funded under the U.S. Department of Education programs, parent(s)/guardian(s) will receive prior notice of the survey and their right to opt-out. Parent(s)/guardian(s) may request that their child not participate in a particular survey by submitting a written request to the Superintendent within ten days of receiving the notice.

Notice to Parent(s)/Guardian(s) Regarding Surveys

Parent(s)/guardian(s) will be provided with a copy of this policy at the beginning of each school year and within a reasonable time if substantive changes are made to the policy by the School Committee. If actual or expected dates of surveys have been scheduled when the policy is distributed, parent(s)/guardian(s) of affected students will be notified at that time. If surveys are scheduled after the start of the school year, parent(s)/guardian(s) will be provided with reasonable notice before the survey is administered.

Procedure for Inspection of Surveys/Instructional Materials

Parent(s)/guardian(s) have the right to inspect any survey created by a third party before it is distributed or administered to students. Parent(s)/guardian(s) may also inspect any instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any survey.

Parent(s)/guardian(s) may request to inspect surveys or related instructional materials by submitting a request in writing to the Superintendent within ten days of receiving notice that a survey is to be administered. The Superintendent shall make arrangements for the parent(s)/guardian(s) to inspect the survey and/or materials within a reasonable time prior to the scheduled date for the survey.

Use of Student Personal Information for Marketing Purposes

The Wells-Ogunquit Community School District does not collect, use, or disseminate personal information about students for marketing or commercial purposes.

This policy does not prevent the collection, use, or dissemination of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for or to students or educational institutions (including but not limited to tests and assessments, sale by students of products or services to raise funds for school-related purposes, student recognition programs and book clubs, or magazines).

Protection of Student Privacy

The Superintendent shall be responsible for ensuring that appropriate measures are taken to protect student privacy when surveys are administered or personal information about a student is collected, disclosed, or used for marketing purposes.

Students Over 18/Emancipated Students

In the case of emancipated students or students over the age of 18, the parent(s)/guardian(s) rights described in this policy transfer to the student.

Complaints

The United States Department of Education maintains an office that handles complaints about alleged violations of the Protection of Pupil Rights Amendment by local school units. Complaints regarding violations may be submitted in writing to:
