Inspection of Records

Parent(s)/guardian(s)/eligible students may inspect and review the student’s education records within 45 days of making a request. Such requests must be submitted to the Superintendent or building administrator in writing and must identify the record(s) to be inspected. The Superintendent or building administrator will notify the parent(s)-guardian(s)/eligible student of the time and place where the record(s) may be inspected. Such requests must be submitted to the Superintendent or building administrator in writing, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the Superintendent or building administrator decides not to amend the record as requested, the parent(s)/guardian(s)/eligible student will be notified of the decision, their right to request a hearing, and information about the hearing process.

Disclosure of Records

The Wells-Ogunquit Community School District must obtain a parent(s)-guardian(s)/eligible student’s written consent prior to disclosure of personally identifiable information in education records except in circumstances as permitted by law or regulations as summarized below.

1. Directory Information

2. Military Recruiters/Institutions of Higher Learning

Military recruiters and institutions of higher education are entitled to receive the names, addresses and telephone numbers of secondary students and the District must comply with any such request, provided that parents have been notified of their right to request that this information not be released without their prior written consent. Parent(s)/guardian(s)/eligible students who do not want the District to disclose this information must notify the Superintendent in writing by September 15 or within thirty (30) days of enrollment, whichever is later.

3. School Officials with Legitimate Educational Interests

Education records may be disclosed to school officials with a "legitimate educational interest."
