

## **PUBLIC SOLICITATIONS IN THE SCHOOLS**

As a general policy, solicitation within the schools will be allowed if it conforms to this policy. Commercial enterprise may be represented in the schools and there may be sale of goods or services on the premises by such enterprises when they have been approved by the Building Principal and are to serve a school related purpose.

Any request must be submitted in writing to the Building Principal at least thirty (30) days prior to the implementation of the requested activity. The Building Principal will make every reasonable effort to assure that the cost to the student will be favorable.

No funds will be solicited from school district employees on school property by organizations or individuals not employed by the Wells-Ogunquit C.S.D.

Examples of possible solicitations include the following:

- A. An activity conducted by the teachers' association for the purpose of raising funds for a worthwhile service to the school.
- B. Parent/Booster organization activity.
- C. United Way, blood drives, disaster relief projects and to benefit community services and the like.

The foregoing policy is for the purpose of insuring maximum instruction time for the teacher and in no way reflects a negative attitude toward many of the very worthwhile civic and charitable activities sponsored within the communities, either on a strictly local basis or as part of a regional, state or national activity. The above does not apply when buildings are rented by an organization.

No funds will be solicited from school district employees on school property by organizations or individuals not employed by the Wells-Ogunquit C.S.D.
