

Superintendent's Update

Wells-Ogunquit
Community School District

September 5, 2017

James P. Daly
Superintendent of Schools

A message from Supt. Daly.....

Another school year has begun in the Wells-Ogunquit Community School District!

Today we welcomed students in Grades 1-9 on their first day of the 2017-2018 school year. Tomorrow, high school upper classes (Grades 10-12) will return. On Thursday, September 7th, students entering Begindergarten and Kindergarten will start.

The opening day of school went very smoothly – students and faculty alike were excited, eager, and perhaps a bit nervous as they began the day.

WHS welcomes the Class of 2021

As you enter the grounds, you may notice some of the many upgrades in the facilities that occurred over the summer –new paving stones at the entrance to the elementary school; new sod around the edges of Forbes Field; the enhancement of the student recess area in the rear of the Junior High, etc.

Our commitment to student achievement is also evident in the classroom and outside the classroom as we gear up for another rewarding and successful year.

The fall season is proving to be a busy one - we hope you be able to attend the many activities and sporting events that are scheduled!
