SUPERINTENDENT'S UPDATE

July 12, 2016

Dear WOCSD Parents/Guardians, Faculty & Staff, and Community Members:

It certainly doesn't seem possible that almost four weeks have passed since students were dismissed in June – the summer months certainly fly by which is why it is so important to enjoy every minute!

We are pleased to announce that Mr. Bob Griffin has been appointed to the position of Wells Junior High School Principal following the recommendation of the interview committee. Mr. Griffin has been the assistant principal of WJHS for the past four years and also acted as interim principal of WJHS during the last eight weeks of the 2015-2016 school year. Congratulations to Mr. Griffin in his new position!

Mr. Griffin's transition to WJHS Principal has, of course, left the WJHS Assistant Principal position vacant. The District is currently seeking applicants for this administrative-level position, as well as, three Nutrition Services positions. (For more information on these openings, please go to www.servingschools.com.)

This great weather is perfect for beach time, vacations, or just relaxing. On behalf of the WOCSD, I wish you a fun-filled and restful summer!
