

WELLS-OGUNQUIT COMMUNITY SCHOOL DISTRICT

Office of the Superintendent

James P. Daly

SUPERINTENDENT'S UPDATE

July 28, 2016

Dear WOCSD Parents/Guardians, Faculty & Staff, and Community Members:

The tremendous weather over the past two weeks has been a welcome change from the chilly start to the summer! I hope you have had a chance to enjoy these sunny, warm days!

*I am pleased to announce that WHS School Nurse, **Pat Endsley**, has been selected by the Maine Association of School Nurses as the **2016-2017 School Nurse of the Year!** She will be presented with an award today at the School Nurse Summer Institute held at Bates College in Lewiston. Pat has been the school nurse at Wells High School for the past 11 years and is extremely deserving of this honor. Congratulations, Pat!*

*We received word yesterday that WES computer technician, **Eugene Halpin**, will retire in August. Gene has been an invaluable technology resource for the elementary school and the entire District for the past eight years. We wish Gene well as he begins this new phase of his life!*

*The interview committee for the Wells Junior High School Assistant Principal vacancy met on Tuesday and has recommended **Mr. A. J. Dufort** as their selection for this position. Mr. Dufort comes to the WOCSD from Noble High School where he has been an 8th grade Dean of Students for the past two years having also taught math there for the prior 14 years. On behalf of the WOCSD School Committee, I would like to welcome Mr. Dufort to our administrative team.*

Construction work on Phase II of the high school renovation continues. The auditorium, gymnasium, and cafeteria are undergoing tremendous upgrades and will offer our students more spacious and better functioning areas when complete.

As we move into August, and the last few weeks of summer vacation, be sure to make time be with family and friends either at a cookout, going to a ballgame, or just relaxing by the pool. September will be here before we know it!

James P. Daly
Superintendent of Schools
